In the administrative hierarchy the Administrative Officer, Campus Development Officer, Finance Officer, Purchase & store Officer and Training and Placement Officer are there to assist the Director. Similarly in the academic hierarchy the principal is assisted by the H. O. Ds, Exam in-charge and student Relation officers. All of these senior officials are assisted by the Non-teaching and ministerial staff. For every affair (either in administrative or academic) a Standard Operating Procedure has been developed, and governed by quality control system comprising feedback systems and regular follow-ups and Staff appraisal system etc.

During the governing body meeting, all the academic and administrative affairs are discussed regularly and amendments if any are affected.

✓ **Grievance redressal mechanism for faculty, staff and students.**

The management has given special emphasis on the grievance redressal Mechanism for both students and staff. Every Saturday the Director will preside the grievance cell for students and look into the problems of students. Bi-monthly parent meeting is also organized.

In the 2<sup>nd</sup> and 4<sup>th</sup> Saturday of every month, the staff grievance meeting is organized. Both the Director & Principal discuss the academic and administrative issues with the staff and try to sort out them.

✓ **Student Feedback on Institutional Governance faculty performance**

Student Feed Back: A student feedback form is developed comprising open ended questions and provided to each and every student. In the feed back form, the student

can address either to the Director or Principal. The institution has suggestion boxes in library and in canteen. Suggestions are collected every week-end and necessary action is taken to sort out problems. We have created e-mails for each and every student, where the feed back form is uploaded. The students have the liberty to mail their opinions to the Director.
